## VPDE-BRICK WORKSHOP

Workshop in Economics of Innovation, Complexity and Knowledge

January 21-22, 2016

The Vilfredo Pareto Doctorate program of the University of Turin and BRICK, Collegio Carlo Alberto, are pleased to announce the **3rd Doctoral Workshop in Economics of Innovation, Complexity and Knowledge**. The aim of the workshop is to bring together PhD students from all over the world working in the broad field of Economics of Innovation and Complexity. The Workshop will provide participants with a great opportunity to network with peers researching on similar topics and to receive feedbacks from both junior and senior scholars.

We invite PhD students in their 2nd and 3rd year to submit their extended abstract (max 1000 words) of their medium or advanced stage paper on the following topics:

### Economics of Innovation

- Development & Economic Change
- Diffusion of Innovation
- Economics of Science
- Entrepreneurship & Firm Dynamics
- Green Innovation & Environment
- Innovation in Developing Countries
- Innovation Policy
- Patents

### Complexity Economics

- Agent-based models for Economic Analysis
- Behavioral Economic Analysis in Simulation Models
- Network Analysis for Economic purposes

We also welcome papers on the above topics that adopt **Historical analysis** as methodological approach.

### Outline

The event will cover two days (January 21-22, 2016) and will take place at the Collegio Carlo Alberto. In addition to parallel sessions, recognized scholars will provide keynote speeches. The third edition of our annual workshop is delighted to announce the following keynote speakers:

- Professor **Ulrich Witt** (Max Planck Institute of Economics, Jena)
